Product Change Notification

PCN **F1220003**

Getac Product Change Notifications are published to inform users of issues in Getac rugged products, that aren't urgent by nature. They are distributed to affected licensed Getac re-sellers and distributors receiving rugged products directly from Getac. Notifications are not distributed by Getac to non-licensed re-sellers, distributors and individuals, but are available to them on the Getac Website, www.getac.com

Should you have any issue with the timeline or content of this change, please contact the Getac Representative(s) for your geographic location. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

Table 1. End-of-Life Milestones and Dates for the Getac EOL Products

Milestone	Definition	Date
End-of-Quotation Date:	The last date to config the product and service attachment through Getac E-Quotation system. Customers should submit the demand forecast before this date.	2022/12/30
End-of-Sale Date:	The last date to order the product.	2023/2/28
Last Ship Date:	The estimated ship date for the order received before the End-of-Sale date. The actual ship date is dependent on lead time without guarantees.	2023/3/30
End of New Service Attachment Date:	For equipment that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment to an existing service-and-support contract.	2023/9/30
End of SW Maintenance Releases Date:	The last date that Getac Engineering may release any final software maintenance releases or bug fixes. After this date, Getac Engineering will no longer develop, repair, maintain, or test the product software.	2026/3/30
End-of-Sale date for user-replaceable accessory	The last date to order the user-replaceable accessory. After the end of device sales, users will be able to purchase accessories to extend product usage.	2026/3/30
End-of-Sale for spare parts	The last date to order spare parts.	2027/12/30
End of maintenance service date	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	2028/3/30
