

Product Change Notification

Change Notification #: PCN T8170002

Date of Publication: February 01, 2017

Subject: Getac T800G1 end of life notice

Product(s) Affected: T800

TYPE: ☐ Software ☐ Component ☐ Specification ☐ Certificate ☐ Accessory ☒ EOL ☐ Others

Change Description:

Getac will officially discontinue the Intel® Pentium® Processor N3530/N2930 from the current T800 product line. The last date to order this platform is on June 30 2017. The new Getac T800G2 features the latest Intel® Atom™ x7 Processors and other upgrade is available now. Getac will provide up to five (5) years maintenance services upon Getac product's "End Of Life" (EOL) date if there exists any defect in materials or workmanship. Any repairs after this date will be evaluated on a case by case basis.

Model will be affected:

T800G1 Standard (Windows)

T800G1 Android

T800G1-R (SSD removable version)

T800G1 Ex (ATEX version)

Last time buy date: June 30 2017

End of driver update date: July 31 2020

End of maintenance service date: July 31 2022

Reason For Change:

Product end of life

Impact: The device and parts of T800 with Intel N3530/N2930 platform will no longer be available.

Effective Date: February 01, 2017

Additional Information: See Next Page(s)

Product Change Notification

PCN **T8170002**

Getac Product Change Notifications are published to inform users of issues in Getac rugged products, that aren't urgent by nature. They are distributed to affected licensed Getac re-sellers and distributors receiving rugged products directly from Getac. Notifications are not distributed by Getac to non-licensed re-sellers, distributors and individuals, but are available to them on the Getac Website, www.getac.com.

Should you have any issue with the timeline or content of this change, please contact the Getac Representative(s) for your geographic location. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.
